Assessment 2: Group Research Essay

Assessment Information

Group Essay

30 marks

Due in Week 10

Assessment Description

Students are required to complete the written research essay. The research essay represents 30% of the marks for the subject and is required by Week 10. In this assessment students are required to **write** a research essay on their class presentation which is based on a particular aspect of corporate governance discussed throughout the course.

The aim is to demonstrate an understanding of the subject and to develop conclusions relevant to theory and practice. The paper should be approximately 1,500 words, exclusive of references and attachments. It should demonstrate a clear understanding of the topic and the relevant literature, concise written expression and evidence of extensive reading.

Assessment criteria for this essay include the following:

- Level of research,
- Degree of innovative thought,
- Critical assessment and
- Organisation and referencing of the paper.
